# Messestande/exhibition design

Hos Exponent designer og producerer vi udstillingskoncepter og messestande skræddersyet til lige netop dine behov. På den måde er du sikker på, at din løsning er afstemt de fysiske rammer og at dit brand eksponeres bedst muligt.

Gennem årene har Exponent leveret udstillingsløsninger verden over og har herved opnået en solid erfaring, som vores kunder kan drage fordel af.

Med en kompetent medarbejderstab og en stor, bred viden om udstillinger, løser vi alle former for udstillingsbehov; store som små udfordringer, hele eller dele af entreprisen, fra idé til færdig udstilling.

Udstillingsprojekterne kommer til verden på vidt forskellige måder og vores viden omfatter alt fra design, kommunikation og projektering til produktion, logistik, montage og projektledelse. Hver kunde sin skræddersyede løsning.

Hos Exponent er kunden i centrum, så læg vejen forbi og få afdækket dine udstillingsbehov eller bliv inspireret til at se nye muligheder og løsninger.

At Exponent we design and produce exhibition concepts and trade fair stands, tailor made exactly to meet your requirements. This way we assure that the message from your exhibits corresponds with the physical framework of your stand and that your brand name is exposed in the best possible way.

Over the years, Exponent has supplied exhibition solutions worldwide and has achieved great experience to the benefit of our clients.

With a competent staff and a wide knowledge of exhibitions, we solve all types of exhibition requirements, large or small, complete or part of the project, from concept ideas to finished exhibition stands.

Exhibition projects evolve in widely different ways and our knowledge covers everything from design, communication and planning to production, logistics and project management. Every customer achieves his special requirements.

With us, the customer is in focus, so come by and have your exhibition requirements covered and get inspired to see new possibilities and solutions.
